# STORY SYNOPSIS (1)

- The story takes place on a military training facility with a dive pool, several diving platforms and a high tower. Colonel Falcon, commander of the elite special forces team known as the Falcon Force, takes the stage, carrying a large jewelry case. Greeting the audience, he announces that today will be a very special day. Several members of his Falcon force are going to be decorated with the Honor Medallion, the highest military medal in the nation. Not only is this award (made of solid gold with a diamond in the center) quite valuable monetarily, it is highly prized for its national prestige and the effect it has on the morale of the men who win it. As a special treat, the awards ceremony will include an exhibition of diving prowess by the Force's elite demonstration team.
- The divers proceed to put on an exhibition of various dives, increasing in degree of difficulty, from different heights. There are two three-meter springboards, a ten-meter platform and a 60 foot ladder. The performance ends in a group dive finale from every level, simultaneously.
- Disguised in an Army overcoat, a General joins Colonel Falcon on stage – but he is actually Major Scorpio, commander of the enemy Scorpion Squad and the most bitter foe of the Falcon Force. He suddenly throws off his overcoat to reveal his enemy uniform. Colonel Falcon recognizes him immediately. Sneaking up behind Falcon is Sergeant Fox, Scorpio's female subordinate, and two other Scorpion Squad soldiers, who close in on the Falcon Force commander. The Colonel tries to run, but his foes have all the exits blocked – which means Falcon has nowhere to go, but up! As such, he proceeds to climb the high ladder.
- Major Scorpio pulls his gun and fires on Colonel Falcon. Bullets ricochet off the tower, just above Falcon's hand – but part of the ladder breaks away with the colonel hanging on for dear life! He ends up dangling from the end of the swing-out span. Scorpio keeps up his fire, until Colonel Falcon lets go of the ladder. He drops into the pool, below, and disappears under the water.
- Major Scorpio ends up with the jewelry case containing the medals – which is what he came for. He wants the valuable decorations, but even more important to him, is the damage that their loss will do to the unit morale of the Falcon Force. Having achieved their objective, the Scorpion Squad breaks into a celebration of diving prowess with their own exhibition. Through it all, some amazing feats of acrobatic talent are demonstrated. Scorpio, himself, wins the competition with a spectacular dive from the high ladder.

# 故事线梗概 (1)

- 故事发生在军事训练设施上，该设施带有潜水池，几个潜水平台和一个高塔。精锐特种部队的指挥官猎鹰上校登上舞台，手持大型珠宝盒。他向观众致意，宣布今天将是非常特别的一天。他的猎鹰部队的几名成员将饰有荣誉勋章，这是美国最高的军事勋章。该奖项（由纯金制成，中间镶有钻石）不仅在货币上具有很高的价值，而且还因其国家威望和对赢得该奖项的人的士气而产生的影响而倍受赞誉。作为一种特殊待遇，颁奖典礼将包括由部队精锐示范队展示的超凡潜水技术。
- 潜水员开始从不同的高度进行各种潜水的展示，难度不断增加。有两个三米长的跳板，一个十米长的平台和一个60英尺的梯子。表演同时结束于每个级别的集体潜水决赛。
- 一位将军伪装在陆军大衣里，在舞台上加入了猎鹰上校–但他实际上是蝎子少校，是敌方蝎子小队的指挥官，也是猎鹰部队中最难惹的敌人。他突然脱掉外套，露出敌人的制服。猎鹰上校立即认出了他。蝎子的小队下属狐狸中士和另外两名蝎子小队士兵在猎鹰后面潜伏，他们紧追着猎鹰部队的指挥官。上校试图逃跑，但他的敌人将所有出口都挡住了一这意味着猎鹰无处可去，只能爬上去！因此，他继续爬上高梯子。
- 蝎子少校用力开枪向猎鹰上校射击。子弹从塔上跳下来，位于猎鹰的手上方–但是梯子的一部分断开了，上校一直挂着，以维持生命！他最终从摆动范围的末端晃来晃去。蝎子保持着火势，直到猎鹰上校放开梯子。他掉入下面的游泳池，在水下消失了。
- 蝎子少校最后得到的是装有奖牌的珠宝盒，这就是他的目的。他想要有价值的饰品，但对他来说更重要的是，失去它们会对猎鹰部队的士气造成损害。达到他们的目标后，蝎子小队通过自己的展示闯入了一次精湛潜水的庆祝活动。通过这一切，展示了一些杂技演员的惊人壮举。蝎子他本人从高梯子上跳下的精彩比赛而取得胜利。

# STORY SYNOPSIS (2)

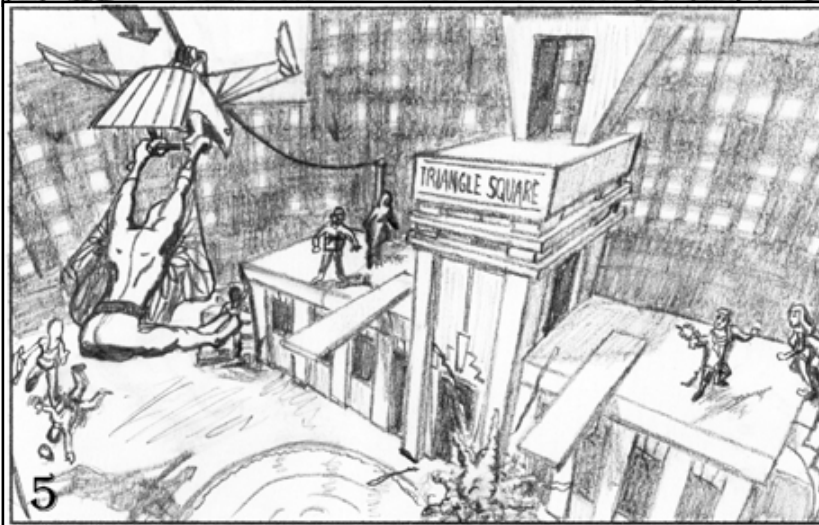

- Just as Major Scorpio is celebrating his triumph, there is a decoy explosion and Colonel Falcon comes sliding in on a zip-line. As he lands on stage, the whole enemy force charges him and a wild fight breaks out. Showing his undeniable martial arts skill, the Colonel battles his way through all of the enemy soldiers, until he faces Major Scorpio, alone. Scorpio surrenders immediately, and offers the jewelry case up to Falcon – but just as Falcon reaches for it, a hidden gas grenade inside the case goes off right in his face. The Colonel drops to his knees, overcome, as the Major gloats over him.
- The Scorpion Squad drags Colonel Falcon to the base of the high dive ladder, where they tie him up. They also place a time bomb at his feet and Major Scorpio sets the timer. An audible speaker on the timer announces three minutes to detonation. Suddenly, the Colonel manages to free himself, and another fight breaks out. There is now one minute to detonation.
- Knocking out Sergeant Fox and one of the enemy soldiers, Falcon chases Scorpio and the other enemy soldier up the ladder. Reaching the soldier, Colonel Falcon pulls his foe off the ladder, causing him to high-fall into the pool, screaming. Major Scorpio, however, makes it to the dive platform, high above. Meanwhile, Fox and the other soldier regain consciousness and begin pouring kerosene into the pool.
- Colonel Falcon climbs up to Scorpio's perch, but the enemy commander kicks at him, nearly knocking the Colonel off the ladder. Crawling around to the other side, however, Falcon is able to pass his foe and climb all the way to the top diving platform. From there, he drops an incendiary grenade onto Major Scorpio and bursts him into flames. The major falls off the platform in a fire-burn dive to the pool. When he hits the water, it goes up, too, into a sea of flames.
- The bomb timer announces ten seconds to detonation. Colonel Falcon dives from the high platform, piercing the flames into the water below. The bomb goes off and there is a huge explosion, with two plumes of water splashing high into the air. This puts out the fire even as it blows Sergeant Fox and the remaining soldier off the stage platform.
- Colonel Falcon emerges from the pool, picks up the medal case and stands at attention on the front of the stage. He announces that the ceremony will continue and his team will get the decorations they deserve. With that, he salutes the audience as patriotic music plays and fireworks go off.

# 故事线梗概 (2)

- 就在蝎子少校庆祝自己的胜利之际，诱饵爆炸了，而猎鹰上校则滑上了滑索。当他降落在舞台上时，整个敌军都向他冲锋，一场野战爆发了。上校展示了他不可否认的武术技巧，与所有敌军作战，直到他独自面对蝎子少校。蝎子立即投降，并将珠宝盒交给猎鹰公司—但就在猎鹰伸手去拿时，盒子里隐藏的一枚手榴弹在他脸上散开了。当少校正在他身上幸灾乐祸时，上校用膝盖跪下，成功躲过。
- 蝎子小队将猎鹰上校拖到高空潜水梯的底部，在那里将他绑起来。他们还在他的脚下放置了一颗定时炸弹，而蝎子少校则设定了计时器。计时器上的扬声器宣布三分钟爆炸。突然，上校设法解放了自己，另一场战斗爆发了。现在还有一分钟引爆。
- 猎鹰击落狐狸中士和一名敌方士兵，并追上了蝎子和另一名敌方士兵。猎鹰上校到达士兵的位置时，将敌人从梯子上拉下，导致他高高地摔入游泳池并尖叫起来。但是，蝎子少校登上了高处的潜水平台。同时，狐狸和另一名士兵恢复了意识，并开始将煤油倒入水池中。
- 猎鹰上校爬上了蝎子的高位，但是敌人的指挥官向他踢来，几乎把上校从梯子上撞了下来。但是，猎鹰爬到另一侧，可以越过敌人，一直爬到最高的跳水平台。从那里，他向蝎子少校投下了一支燃烧弹，并使其燃烧。少校从平台上掉下来，纵火焚烧到游泳池。当他碰到水时，水面上升到火焰海中。
- 炸弹计时器宣布十秒钟引爆。猎鹰上校从高空平台跳下，将火焰刺入下面的水中。炸弹爆炸了，发生了巨大的爆炸，有两缕水溅到空中。这扑灭了大火也将狐狸中士和剩下的士兵从舞台平台上炸开。
- 猎鹰上校从游泳池中冒出来，拿起奖牌盒，并站在舞台前部。他宣布仪式将继续进行，他的团队将获得他们应得的饰品。这样一来，他在爱国音乐演奏和烟火燃起时向观众致敬。
